Larry D. Beard, Project Manager  
Landau Associates, Inc.  
P.O. Box 1029  
Edmonds, Washington 98020-1029

Dear Mr. Beard:

Enclosed are the two data validation packages for the split sample sets that Ecology and Environment took for EPA last year. The data from the last set of split samples taken in December 1990, are anticipated from the laboratory shortly. If you have any questions, give me a call.

Sincerely,

A handwritten signature in cursive script that reads "Neil E. Thompson".

Neil E. Thompson  
Project Manager
